## Main activities of the organisation:

- GSRT is the main authority in Greece competent for the planning and implementation of RTD policy. GSRT represents Greece in relevant institutions of the European Union and other International Organisations, including ESA, and supervises and/or establishes research centers, S&T parks, incubators etc.
- Recent Development of GSRT' s R&T policy planning Directorate:
  - “STRATEGIC PLAN FOR THE DEVELOPMENT OF RESEARCH, TECHNOLOGY AND INNOVATION UNDER THE NSRF 2007-13”
  - “GREECE’S INNOVATION SYSTEM” – Formulation of the background report for the OECD review
  - Planning of a new action entitled: “REGIONAL INNOVATION POLES”
